

# Hospitality 2012 – 2013

Ushers: Dave Chadwick

1. The church is in need of about 6 new collection baskets. The old ones are in various states of disrepair.
2. It would be helpful if someone could give Dave Chadwick “a heads-up” when a special collection or distribution of forms is going to take place. He will make sure the ushers are aware of the special events.

Hospitality: Linda Hedderman-Ellenes

1. We do not have enough people on Sunday's signed up to bring donuts and juice.
2. The same parishioners sign-up each week.
3. I have attempted to purchase donuts and juice when no one signs up but that gets expensive. I would like to suggest that we make up a kitty with money collected from the donations to purchase donuts and juice.
4. How do I encourage people to sign-up.
5. If donations do not improve we should just offer coffee.

Servers of Arimathea: Linda Dolecki

1. We have 80 volunteers. This is a fulfilling ministry and we are all proud to be part of it.
2. Observation: Cleaning the kitchen – The Arimatheans have to arrive early before the funeral to clean the kitchen. We need one person to oversee this. Groups that use the kitchen do not clean it after use. When Arimathean's use the kitchen we have to clean it before we can use it. Example: floor mats are left on the counter tops. We have to disinfect the counters before we can prepare food on the counter tops. It is a beautiful kitchen and we would like to leave it that way.

New Comers: Maurice and Patricia Erly

1. We would like to hold the new-comers luncheon meeting 3 times a year.
2. Fr. Daly connects with our new parishioners and provides the history and demographics of the parish. A light meal is shared and social interaction is encouraged.
3. For budget planning allot \$6 per person and we generally average 30 to 35 persons per meeting.

First Sunday Breakfast: Larry Donnelly

1. FSB is still a big hit. An average of 350 people per Sunday (same as previous years). This year we have noticed that donations have fallen \$200 per First Sunday.
