

# Hospitality – 2013-2014

Ushers: Dave Chadwick

- Everything is going along OK with the Ushers.
- The Christmas Mass parking experiment went OK. It wasn't very popular.
- Advance notice of special collections or distribution of literature would be appreciated.

Sunday Hospitality: Linda Bednarski 410-535-5428

- The same parishioners sign up every week and every month – mostly because nobody else is stepping up to take it.
- The 9:30 choir has taken over once per month. Ms. Bednarski suggests that many parish organizations such as mens club, ladies club, K of C, could take over one mass once a month. This would also give them an opportunity to talk to parishioners and get info about their organization out.
- Would like to see more interaction between those serving and the mass-goers. Act more like a greeter.
- Some who bring refreshments just drop them off in the kitchen and expect somebody else to serve. All donations should be at least be ready to serve/plated and if a family/organization signs up to donate, they should also count on serving.

Servers of Arimathea: Ruth Mora 410-414-8483

- Around 80 volunteers – mostly retired. Volunteers are always welcome to not only serve on the day of the funeral but to call for food donations, make food (usually sandwiches, salads and desserts), setup and cleanup.

First Sunday Breakfast: Larry Donnelly

- FSB is more popular than ever with the numbers climbing every month. The donations are still declining – it is free-will donation and where people at first were very generous, they are now donating a few dollars each.

New Parishoners Dinners – no report.
